

IMPORTANT LOAN PAYMENT RELIEF ANNOUNCEMENT

We understand your need for additional financial breathing space in these special times in light of the COVID-19 developments.

BdC gladly informs that the 3-month moratorium on the interest and principal loan payments will be automatically implemented for the months of March, April and May 2020. Consequently, your loan repayment schedule will resume by June 2020 and your loan period will be extended maintaining your monthly repayment amount. Please note that this implies that the maturity date of your loan will be several months later than originally convened with the bank since the interest accrues and is added on your loan amount.

The moratorium is only valid for all customers who are less than 90 days in arrears.

Unfortunately, some accounts have already been debited for the repayment amount of March. We apologize for this inconvenience and are currently processing the corrections for the amounts to be available soon.

Should you not want to make use of this moratorium offer, please contact the bank at info@bancodicaribe.com or contact your account manager no later than April 3, 2020, with the following details: Your name and last name, your account number and your country so we can process your request accordingly.

Thanking you for your understanding and cooperation we encourage you to follow the instructions stated by the official authorities and to stay safe at all times.
