

Traveling soon?

Six easy steps on how to activate your debit card when traveling abroad.
Please have your debit card number and security token at hand.

1

Logon to
www.bancodicaribeonline.com

2

Go to **'My Accounts' > 'Bank Card Accounts'**

3

Select the **'Debit Cards International Activation'** and read the important information carefully

4

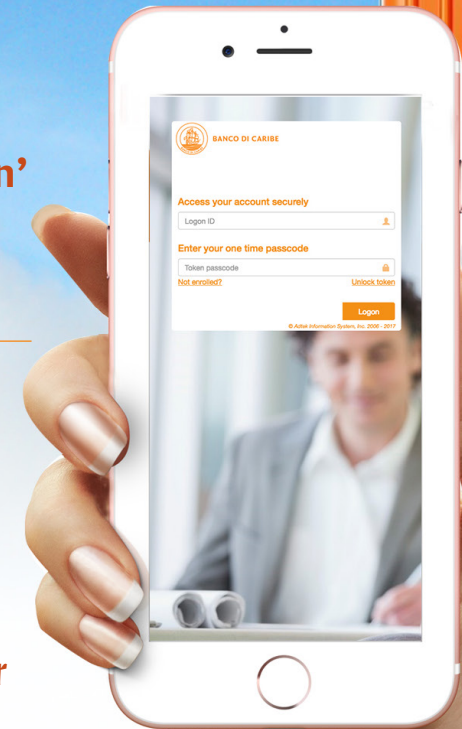

Proceed by selecting the debit card number you like to activate by clicking on the **'check box'** and **'modify icon'**

5

Make your modification and then click on the **'save icon'** on the right for approval of your request

6

Follow the instructions on the screen to approve your activation
